### Professional Experience

Ron has been in the abatement industry for over 21 years and holds credentials as Asbestos, Lead & Mold Supervisor. At ESA, he is a Senior Project Manager and Estimator, overseeing the Omaha office, and working throughout Nebraska, Iowa & South Dakota. His broad experience encompasses projects of all sizes, in numerous US states and in a variety of conditions. Prior to joining ESA in 2009, Ron worked as Estimator/Vice President for a well-respected abatement company in Nebraska.

### Ron's Credentials

- Asbestos Supervisor
- Lead Supervisor
- Microbial Remediation Certificate
